HARRY C. McKINZIE

In Appreciation

Since Mr. McKinzie's election to the post of District Superintendent in 1940, he has become well known to all of us. Mr. McKinzie was born in a log cabin in Indiana, where he taught and was Superintendent of Schools for many years. In Chicago he became a Family Officer at the Parental School, and took his principal's examination in 1924. He was principal of several elementary schools including Healy, Von Steuben, and Stewart, and also of Amundsen High School. Mr. McKinzie visited Kelvyn and was often seen in our halls. We were sorry to learn of his recent retirement, and want to show our appreciation for his wonderful job and his interest in Kelvyn by dedicating the 1951-52 Kelvynian to our very good friend, Mr. Harry C. McKinzie.

Dr. Herold C. Hunt, Superintendent of Chicago Schools, Mr. Clarence C. Claxton, Principal, Mr. Olof Engstrom Photographer.

MR. NORMAN L. SAMUELSON
Assistant Principal

Dr. Hunt and Mr. Claxton thank Mr. Engstrom for the sight-screening telebinocular instrument which he presented Kelvyn Park High School on behalf of the Northwest Lions Club during the observance of Education Week in November, 1950.

A Message to the Graduates . . .

WORKING AND PLANNING

You have been reminded, many times, that completion of your high school course is in no sense an ending, but only the beginning of your education.

Having seen you get away to this good start, we hope to see every one of you continue your formal education just as far as circumstances will permit. Keep on learning. Keep the spirit of inquiry alive in your minds. It behooves us to reflect on the twelve things, recommended by one of our world's most successful retail merchants, as guide-posts while we are working on the road to success. These twelve guide-posts are:

One, the value of time.

Two, the success of perseverance.

Three, the pleasure of working.

Four, the dignity of simplicity.

Five, the worth of character.

Six, the power of kindness.

Seven, the influence of example.

Eight, the obligation of duty.

Nine, the wisdom of economy.

Ten, the virtue of patience.

Eleven, the improvement of talent.

Twelve, the joy of originating.

We call upon the class of 1951-52 to stand loyally by the country to which all of us owe so much. No matter how the course of right and justice may be warped by the irresponsible, remember to make yourselves worthy to be citizens of such a great country as ours. This you can do only by becoming educated, intelligent, thinking men and women.

Parent-Teacher Association

The Kelvyn Park Parent-Teacher Association was organized in 1925 with the general objectives of the National and State Congresses:

To promote the welfare of the children and youth in home, school, church, and community;

To raise the standards of home life;

To secure adequate laws for the care and protection of youth.

This year the P.T.A. held a Christmas Party

and County Fair to raise money for robes for the Girls' Chorus. At the Faculty Tea in December Mrs. Love's girls wore these robes and gave a beautiful program. Parent education work, started in 1949-50, has been continued. Mrs. O'Grady, committee chairman, has taken courses to direct this work.

In this way, Kelvyn's P.T.A. is slowly realizing the ideal of a close relationship between home and school, and intelligent cooperation between parents and teachers in the training of youth.

Alumni Association

The Kelvyn Park High School Alumni Association wish to extend their greetings and congratulations to the Graduating Class of 1951.

If you, like most of us, are interested in keeping in contact with your fellow graduates, the Kelvyn Park Alumni Association is your answer. Through various social activities, such as roller skating parties, home talent shows, small get-together dances, and of course, the annual semi-formal dance, we keep alive the warm personal contacts we have made throughout our school years. At the same time we meet new and other alumni.

For those of you with literary talents and a nose for news, we publish at regular periods

a newsletter announcing coming social events, and giving interesting bits of information and news concerning past and present graduates. For others, with organizational ability and fresh, original ideas, there is a place on our Executive Committee. And for you genuine scholars, the Scholarship Committee should hold special interest. The Alumni Association awards an annual scholarship to a deserving graduate, and plans are under way to award a scholarship to each graduating class. The funds for these awards are supplied by the proceeds from the various events held throughout the year. Whatever your particular interests, the Alumni Organization has a place for you.

National Honor Society

Kelvyn's application to establish a chapter of the National Honor Society was accepted last November. This organization is based on Character, Scholarship, Leadership, and Service, and is composed of outstanding students of 11A, 12B, and 12A. An impressive installation ceremony was held January 15, 1951 by the Steinmetz Chapter. Thirty-six charter members were initiated.

The society, under the sponsorship of Miss Mildred Harms, initiated twenty-seven new members on May 14, 1951 to fill the places of the mid-year graduates. The orchid sale gave Kelvyn a note of festivity; another feature was the June luncheon.

The officers of our new chapter are: Mary Van Winkle, president; Vera Stotz, vice-president; Elsie Ziegler, secretary; Jeanne Vester, treasurer.

The Student Council

The Student Council is the governing body representing all divisions at Kelvyn. This organization gives the students experience in democratic practices for the welfare of the school and the community.

The officers are as follows: President, Jeanne Vester; Vice-president, Mary Jane Fennessey; Secretary, Shirley Habershtock. The chairmen of the committees are: Boys' Activities, Eugene Kostiuik; Girls' Activities, Jean Thompson; Deportment, Carol Tonning; Building and Grounds, Arlene Donovan; and Attendance, Eleanor Larsen.

The Civic Forum

The Civic Forum, sponsored by Mrs. Nordman, is one of the most active clubs at Kelvyn Park. At meetings held every other week, the members discuss and debate events and problems of local and national importance. The club is made up of students of all four years, thus opinions and ideas are quite varied.

The French Club

Foreign Friendship Club

The purpose of the Foreign Friendship Club is to bring about better understanding among the nations of the world by creating international friendship through student correspondence. Mrs. King is the club's very capable sponsor. Its members have "pen-pals" in foreign countries, and at their meetings twice a month they exchange their letters, cards, and photos, in this way becoming better acquainted with many far away people and places. Letters come from Mexico, Peru, England, France, Norway, and other countries.

The French Club has been re-organized and is sponsored by Mrs. Edith Wright. Meetings are held every first and third Thursday at 8:05. All are welcome to join the club whether or not they have studied French. The dues are five cents each meeting.

The object of this club is to promote understanding and appreciation of French customs and culture.

Pan American Club

The Kelvyn Park Pan American Club members share with each other a deep and sincere understanding of life "south of the Rio Grande."

The spirit of friendship among the young people of the Americas must be based on understanding. Therefore, in our Pan American Club, we have attempted to formulate a program through which we would be able to know our neighbors better.

The program includes learning Spanish, the language of our neighbors; corresponding with young people of the "Other Americas"; exchanging newspapers, magazines, and snapshots; presenting skits and dialogues in Spanish based on scenes in daily life; studying the lives of Spanish heroes; and learning the traditions, customs, music and games of the Americas.

Together, these students become better educated and informed about our southern neighbors.

The German Club

Der deutsche Verein is the official German Club of Kelvyn Park High School. It was founded during the first semester that Kelvyn opened its doors to senior high school students. Its basic purpose is to acquaint its members with the origin and development of the German language, its literature, music, and the scientific, artistic, and historical contributions of great Germans to civilization. Germany's school system, customs and manners, traditions, character, and life are discussed by the students and the club's sponsor.

The meetings are held at such times when the greatest number of members can attend them. The work of the club is informal. This informality has crystalized interest in and for the German Club, and the club's sponsor, Mr. Bock, has always felt more than repaid for his efforts by the keen and interested attitude the members of the club have shown.

Front: T. D'Amato, M. Conte, T. Michaelsen, M. Vrettos, D. Hansen, M. Van Winkle, G. Wainman.

II Row: L. Hansen, M. Carlson, I. Gjessen, G. Rees, B. Bluege, G. Friese, D. Meling, D. Weinberg, N. Bender.

III Row: P. Solmo, L. Bowman, A. Hubbard, V. Wegner, D. Perryman, E. Andreasen, E. Ziegler.

Kelvyn Players

The Dramatic Club has been reborn and named The Kelvyn Players. Its officers are: Dorothy Meling, president; Nancy Bender, vice president; Lois Hansen, secretary; and Gloria Rees, treasurer. It has twenty-five members. They are a gay group seeking time and place to express their talents. They did the Fire Prevention Skit, and are working on a one act comedy, "The Ins and Outs."

Art Club

Anyone peering into room 325, 0 period on either the second or fourth Tuesday of the month, will see the Art Club, sponsored by Mrs. Adams, in session. Demonstrations of the methods of using a variety of art materials, designing of party favors, and clay modeling are some of their many activities. These artistic gals really used their imagination and talent when they wrote and produced "Rudolph the Red-Nosed Reindeer" in play form at Christmas-time. This year Gloria Beskoon, Carolyn Broberg, Winnie Heether, Roberta Hoegner, Jean Holte, Catherine Johnson, Catherine Kunda, Wilma Lawrenz, June Liedtke, Katherine Lorch, and Dolores Petersen received their letters.

II Row: K. Thomas, P. Tossan, V. Henrikson, J. Benson, R. Jack, R. Long, R. Beisler, A. Williams.

Stage Crew

The members of the stage crew operate the stage lights, the curtain, the public address system, and the flood and spot lights for all school assemblies, home talent shows, graduation exercises, and all other events that require such services. Occasionally they are hired by outside groups such as the P. T. A., who have evening performances in our school. Fifteen boys are responsible for the smooth operation of all mechanical devices necessary for a good show. They are the ones who work behind the scenes, are seldom seen, seldom get public thanks for their work, but who enjoy helping to produce a polished program. The school owes these boys and Mr. Hungerford, their sponsor, many thanks for their generous behind the scenes work.

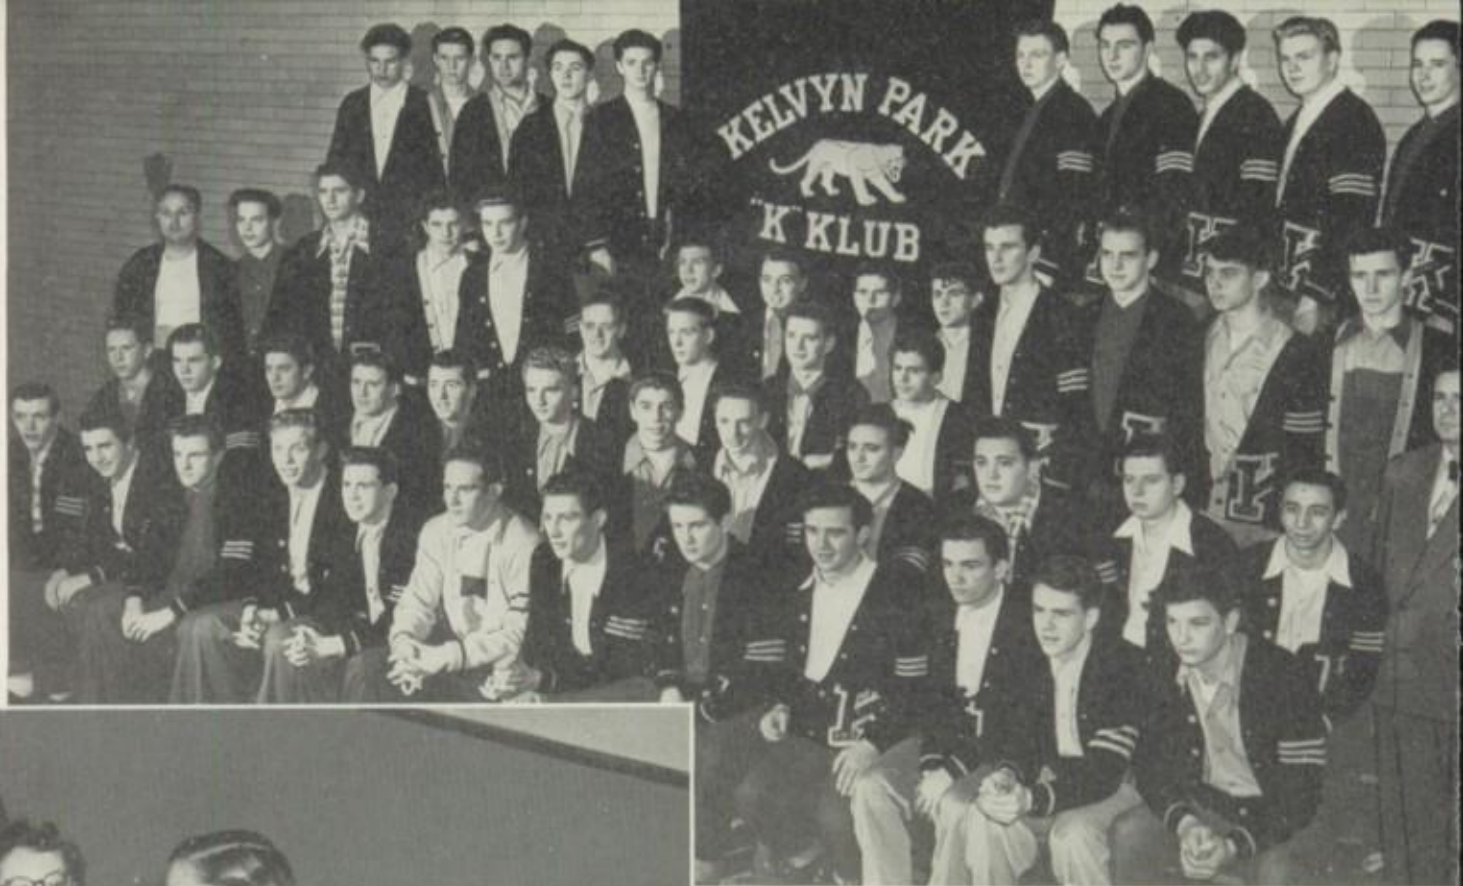

Front: D. Notz, K. Thomas, B. Flood, R. Himmel.

Movie Operators

Sponsored by Mr. Hungerford, this organization relieves the teachers of the mechanical details of showing visual-aids such as movies, slides, and film scripts. Mr. Hungerford is trying to work out a set of films to be used in each subject so that the content of the film and the subject matter in the course will coincide. This is called the permanent film library from which teachers order films each semester as they teach various subjects.

Girls' "K" Klub

To succeed in becoming a member of this select organization, sponsored by Miss Ekstrom, a girl must fulfill certain requirements in health, team games, individual activities, leadership, service, and scholarship. A worth-while rule from their code of sportsmanship, followed by these girls in life as in games, is "Play fair at all times."

Boys' "K" Klub

This organization, sponsored by Phillip Brownstein, is composed of the outstanding boys of Kelvyn Park. Before being considered for membership, the boys must win a highly-prized letter in some athletic activity. Their objectives are to respect authority, to help develop team spirit, and to give their services to special school projects.

R. O. J. C.

Training in good citizenship is the primary purpose of the ROTC course. Emphasis is placed on courtesy, neatness, leadership and good bearing. The cadets are taught to think on their feet. The ability to instruct and lead others is stressed. While military subjects are emphasized, physical exercise is not neglected. Students are encouraged to participate in extracurricular activities. Many outstanding athletes of the Chicago High Schools have been members of the ROTC.

The Kelvyn Park library, conducted by Miss Poltrock and Miss Mosher, is a quiet workshop for the students of the school.

The library assistants aid in the library by shelving books, filing catalog cards, issuing magazines and books, taking attendance, and doing other clerical jobs. They give their services voluntarily, and receive in return honor points, vocational and cultural training, and, after two years of service, they receive a "K."

The bookroom assistants, under the direction of Miss Lester, stamp, number, label and distribute some seven to eight thousand textbooks to K.P. students.

E. Hansen, M. Alm, S. Lucas, G.
Schmotzer, G. Anderson, A. Peder-
sen, M. Stiller, Miss Lester.

HOSPITALITY COMMITTEE

Seated: B. Kuczek, W. Burbank, K. Lorch, L. Cook, B. Bluege, R. Baker, M. Vrettos, A. Haarr, D. Hansen, R. Beisler.

Standing: J. Sabye, Miss B. Paul, R. Maltese, J. Liedtke.

Hospitality Committee

The members of this committee served as guides for the prominent visitors entertained here during Crime Prevention and Education Weeks. They introduced them to the faculty and other guests, and acquainted them with our school building. Their motto, "We liked having you with us," conveyed the warm spirit of friendliness so freely displayed at Kelvyn Park.

Friday Night Socials

The Friday Night Dances, the basis of social life at Kelvyn, are held every other Friday. The social committee meets monthly with other schools to discuss ideas for coming dances. Soft lights, fine music and a crowd of friendly young people present a perfect setting for an evening of fun.

MISS L. FRANCES FISCHER
Director

Mrs. Love's Robed Choir, as they gave an unforgettable program of Christmas carols.

Chorus

MRS. FLORENCE LOVE
Director

The Girls' Choral Club is one of the finest singing organizations in the city. Under the direction of Mrs. F. Love, it contributes to school assemblies, the Spring Festival and the Annual City Festival. The girls now wear their maroon choir robes, which were given them by the P.T.A., at all public appearances.

The officers of the club are: Concetta Lo Vecchio, president, Nancy Snode, secretary, Carolyn Kunda, treasurer, Elaine Habelski, historian, and Pat Nadolski and Marilyn Kriss, librarians. The club song is, "I'm in the Mood For Love."

The Mixed Chorus made its debut at the Spring Festival of 1948 and is continually growing in membership and success. The Mixed Chorus adds lustre to the assemblies and the Spring Festivals.

The officers of the Mixed Chorus are: George Schmotzer, President, Alice Swiontek, secretary, Rita Gordon, treasurer, Peter Exarhos, historian, and the librarians are Bob Czeszewski and Louise Monohan. The club song is "Without a Song."

Four years of high school
Completed at last,
Four years of pleasure
All in the past.

We walk the lane of reveries
The lane of days gone by;
The nostalgia of fond memories
Brings a tear to every eye.

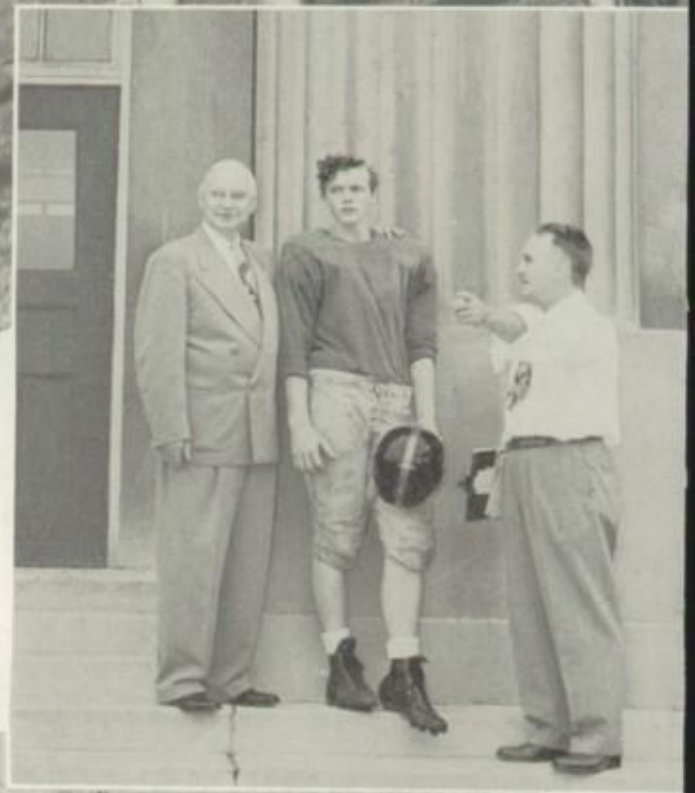

The jolly times we shared at school,
In classroom and at play,
The happy days of the Golden Rule,
The progress, day by day.

Four years of learning
Completed so fast,
Four years of pleasure
All in the past.

EDWARD J. NELSON
Coach

The 1950 gridiron team faced a difficult task in rebuilding, due to the graduation of so many regulars.

For a foundation, the Panthers had eight returning lettermen: Captain Hagberg, Fredricksen, Quist, Surnicki, Czeszewski, Rueter, Gerard, and Nanos. Talent such as Jerry Lochen, Dick Lugo, Roy Christenson, Don LaMarca, Leslie Carlson, and Fred Fredricksen soon showed that they could adequately fill the shoes of the graduated heroes.

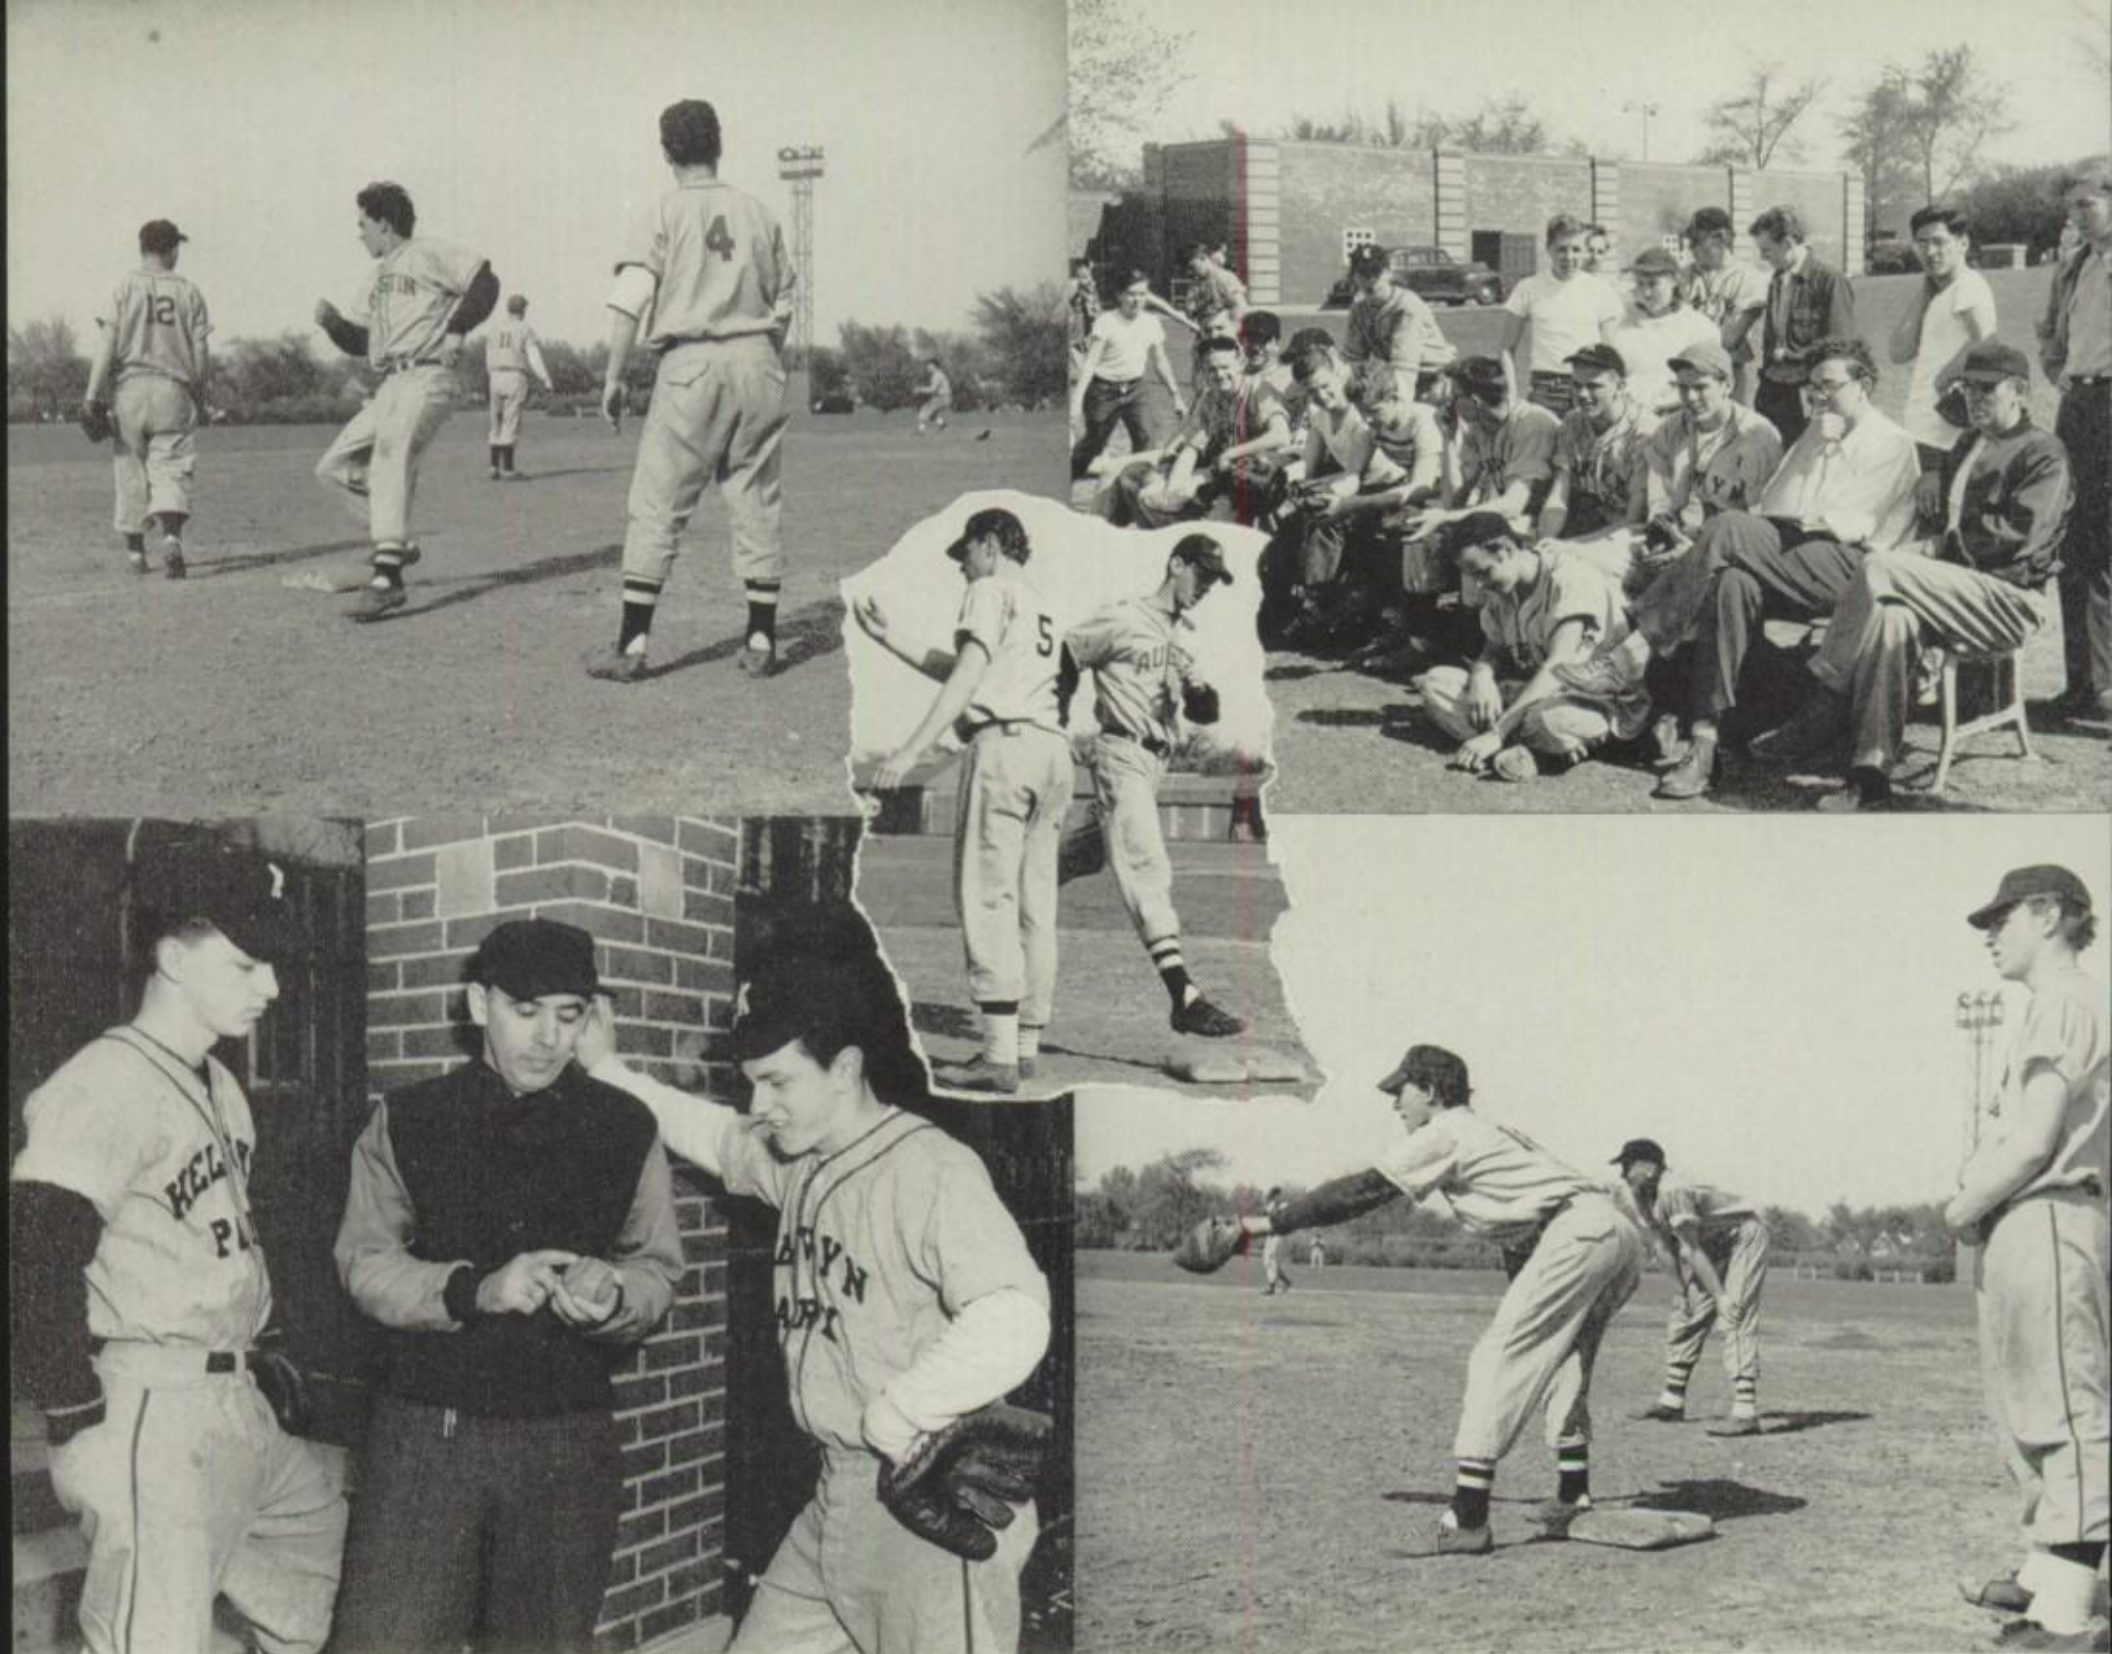

As the season got underway, the Kelvyn gridmen were tripped up by a top rate Harrison squad 27 to 6. The next game was the traditional Tuley game, one that Kelvyn had never lost in the history of the school. The Panthers lost a tough one, 7 to 6. The next two games were lost to teams which finished tie for first place, Crane Tech. and Austin.

When our arch rival, Foreman, came to Hansen Park there was a winning spirit in the Panthers once again, as they decisively defeated Foreman, 13 to 6.

The season was crowned with a thrilling victory over Marshall High School. Though trailing by 14 points, the Panthers came from behind to defeat Marshall 28 to 21.

Much of the success of the season was due to Bob Czeszewski, a stellar all-around player, and Hagberg's steady and reliable play at end. The line will miss Gerard's and Stanislawski's forceful play at tackle as well as Walton's and Lochen's dashing speed in the backfields. The 1950 team can look back with pride on a hard, well-fought season.

It's a line drive, past the third baseman and another run crosses the plate for Kelvyn. This has been a familiar sight at Avondale Park, the home grounds of Kelvyn's hustling ball team, coached by Mr. Weintraub.

Although Kelvyn has won only four games, it has showed great promise for the 1952 season. It will feel the loss of George Diedrichs and George Relos badly, but there are other able players that will be quick to fill their places on the team.

So far this year Kelvyn has beaten Wells, in a 7 to 4 extra inning thriller, Tuley, in a slugfest, 19 to 16, and two wins over Washburne 9 to 5 and 12 to 1.

Kelvyn has suffered seven set backs at the hands of Steinmetz, Crane, McKinley, and double losses to Austin and Foreman.

Next year the team will be one of the best Kelvyn has had in a long time. Its key men will be John Panagakis, Jerry Kallas, Warren Bouwman, and Rookie Jeremy Males. The pitching staff will be built around Ronald Huck and his baffling knuckle ball.

Fans you can look forward to a good season next year, even better than this last one.

Senior Basketball

Although the Senior Team only won two games out of ten, they still showed signs of being a good team.

With losses to Foreman, Steinmetz, Washburne, Manley, McKinley, Marshall, Tuley, and Wells, and wins over Crane Tech and Austin, Kelvyn landed in 9th place.

Extraordinary center, Joe Bellizzi, scored 195 points in ten games, a record worth fifth place in city competition. Floorman Bill Hauck played with excellency all season long, as did Don Jahnke. Forwards Warren Bouwman and Bud Berenson played their able best through the

entire season. Substitutions such as Jim Hacker, Allen Cress, and John Kollassa were also assets to K.P. But still Kelvyn was denied many victories.

The senior squad may sport the honor of having the most interesting and exciting game at home. This game was the Austin game in which the Panthers came out on top by one point. This point was scored in the last few seconds of the game, by Bud Berenson. The final score was Kelvyn 47, Austin 46, a game that no Kelvynite will forget. So now let's hope for a better season next year.

The Junior Basketball Team under the direction of Coach Phil Brownstein had a very successful season.

When the season got under way, the Panthers started out on a flat note by losing to our arch rival, Foreman. During the season the Kelvyn hoopsters sported victories over Steinmetz, Manley, McKinley, Tuley, Crane Tech., Wells, and Austin. They were beaten by Foreman, Washburne, and Marshall. This seven and three record was good enough to put Kelvyn in the city league play-offs.

Being undefeated in the central section, Tilden Tech. was chosen to oppose Kelvyn in the

play-offs. The Panthers lost this all important game, by one point, 46 to 45, in the final seconds of the game.

This year the Kelvyn hoopsters starred the basket twins, Connie Hoppe and Woody Kallas. Connie Hoppe was high scorer with a total of 199 points in eleven games. Connie was voted on the second string of all-city.

Jerry Kallas, Jerry Tate, and Dick Tattas were excellent on defense as well as offense.

Very able substitutions were Relos, Plankey, Barton, and Dinello. Here's to success next year.

SWIMMING

Kelvyn's swimming team, under the direction of Coach Weintraub, was not entered in the city competition this year. It is expected to be entered next year, if all things go as they are planned.

Front: L. Weintraub, coach, G. Brauneis, E. Michal, H. Mallin, D. Edwards, W. Burbank, D. Torgersen, R. Olsen.

II Row: B. Stanislawski, A. Cress, G. Christoffersen, R. Jorgensen, R. Wold, captain.

TENNIS

Members of Kelvyn's great tennis team pose here for the Kelvynian photographer. Left to right kneeling: G. Brauneis, R. Wold, C. Petersen; and standing: J. Janish, B. Stanislawski, and Captain D. Jahnke. Kelvyn had a very successful season winning three games while losing three. This was good for fourth place in the section.

SKATING

Kelvyn's two top skaters, Fred Stotz and Robert Peterson, took second and third places, respectively, in the city wide competition. This is a record that will long be remembered by Kelvynites as a feat hard to equal.

The Physical Education program at Kelvyn is concerned with both the physical and social development of girls. Along with body building, healthful exercises, group sports are stressed, for it is in these group sports that the girls learn cooperation and how to work with others for the benefit of many. Vigorous exercises and rhythmic activity give girls the graceful carriage and poise essential to a well-balanced personality. A testing program is conducted every spring to determine endurance, strength, agility, and speed.

Swimming plays an important part in this program during the Freshman and Sophomore years. Every girl is encouraged to pass a beginners' test. She can then try to earn her "K" by passing a more difficult test, consisting of swimming several lengths of the pool, demonstrating her skill and knowledge of different swimming strokes, treading water for a given period of time, and diving.

J. Custy, J. Vester, D. Fischer, M. Van Winkle, M. Carlson, M. Conte.

C. Guyon, M. Cosentino, M. Boehm, M. Kreschke, J. Dunn, J. Pedersen, G. Zielke.

FAVORITE ASSEMBLIES

"Wildcat Willie Carves the Turkey" is the name of the hilarious Thanksgiving play put on by Mrs. Bergstrom's English 6 classes.

During Brotherhood Week, Mrs. Nordman's Civics 2 classes invited the famous track star, Jesse Owens, and Frazer Lane, Secretary of the Urban League, to speak. Songs by the Girls' Chorus and Maryann Maras were also included.

In April, a Pan American assembly was sponsored by Mrs. King. Mrs. Corcuera, from the Pan American Council, showed beautiful colored slides from her stay in Peru. Spanish music was furnished by the students.

The members of Kelvyn Park's debating team, D. Deitch, D. Hansen, M. Vrettos, G. Friese, and A. Hubbard were the victors in a rousing contest with Roosevelt High School on the subject, "Should We Abolish the Welfare State?"

EDUCATION WEEK

National Education Week was observed at Kelvyn Park in November, with Dr. Herold C. Hunt, Superintendent of Chicago Schools, as honorary guest. Some three hundred guests from the following organizations were present: C.Y.O., Fraternal Orders, Lions Clubs, Kiwanis Clubs, Park District, Women's Clubs, American Legions, Boy Scouts, Girl Scouts, civic councils, business men's organizations, publishers, Parent-Teacher Association, Veterans of the Foreign Wars, churches, and Cragin-Shakespeare Police Stations. The objective of this program was to build better human relationships and cooperation between the school and the community.

CALENDAR

SEPTEMBER

... K. P. called us back and we welcomed hundreds of freshies and our new principal, Mr. Claxton, from Nobel School ...

OCTOBER

... the faculty had a tea to honor Mr. Claxton and Mr. Leibek, who is now principal at Nobel ... our new school paper, the "Panther," came out October 19, dedicating its first issue to Mr. Samuelson in appreciation for his swell job at Kelvyn ...

NOVEMBER

... Education Week was the biggest event of the month, highlighted by an assembly with visiting celebrities: Dr. Herold C. Hunt, Jesse Owens, Commissioner Prendergast, and several others ... the Seniors had a tea, with author Anne Emery as guest of honor ... the Mel-Aires helped make the annual Home Talent Show a success ...

DECEMBER

... Coach Nelson gave out twenty-four major and nineteen minor "K" awards to our football team and those who played in Varsity and Fresh-Soph games ... Christmas was observed with a musical program featuring the Orchestra, the Girls' Chorus singing a group of carols, and Maryann Maras singing "Oh, Holy Night" ... community singing concluded a beautiful program ...

JANUARY

... the Senior Class of January '51 said goodbye to Kelvyn with their Farewell Follies ... Kelvyn's chapter of the National Honor Society was installed by Steinmetz in an impressive ceremony ...

FEBRUARY

... the Journalism and Dramatics classes were two new additions in February ... popular track star Jesse Owens made a return visit to speak during Brotherhood Week ...

MARCH

KELVYNITES ALL

Each one different,
Yet the same, —
Leaving much wiser,
Life's reward to claim.

Some girls may marry
And become good wives.
The Home Ec Department
Has helped plan their lives.

Boys, too, get married
And must provide a home.
Others yearn to travel,
To pack their bags and roam.

Some may, as doctors, lawyers,
Or merchants succeed;
Those with character and
Ability to lead.

Jobs as secretaries
Await some fair beauties;
In the Commercial Dept.,
They learned well their duties.

One boy may captain
A ship on the sea;
Another will build this ship,
A carpenter, he.

Some will build bridges,
Skyscrapers or roads.
Some design art work,
New styles and modes.

But whatever they do,
Once they leave Kelvyn Park,
Each one will prosper,
In the world, make his mark.

Citizens of tomorrow
Swinging wide the gates,
To a future that is limitless
In these United States.
